## Who We Are

## About Us

SEMA US, is a U.S non-profit 501(c)(3), charitable, healthcare organization, which aims to provide high quality healthcare and medical education for people in need worldwide.

### Our Board Members are:

- |                      |                |
|----------------------|----------------|
| • AHMAD RAMI SALTAGI | President      |
| • ABDUL KADER SABAG  | Vice President |
| • MOHAMMAD HAMSHOW   | Secretary      |
| • OMAR SUBEII        | Treasurer      |
| • BASIL BAKRI        | Director       |

## Our Vision

To provide high quality healthcare and medical education for people in need worldwide.

## Area of Our Work

Lebanon - Northwest Syria

## Our Mission

- To provide medical assistance and general medical care wherever possible for the patients in areas affected by disasters as well as under-served places.
- To undertake relief and development programs through the provision of services including, but not limited to, the provisions of hospitals, clinics, doctors, nurses, medications, and equipment for needy areas.
- To respond to the need of refugees or displaced people in the United States or elsewhere in the world.
- To provide advisors, experts, and administrators to supervise or assist in relief and development programs in areas of need.
- To promote, develop, and carry out medical education and training programs, as well as arrange and provide exhibitions, lectures, meetings, seminars, research, displays, or classes in needy areas.
- Collaborate with other NGOs (non-government organizations) that have the same mission inside or outside the United States.
